

## Need access to quality car cover?

At Groupama the signs are good when it comes to Optima Car insurance.

There's clear cover with our new Crystal Marked policy and a whole boot full of enhancements that delivers even better value for your clients.

We offer highly competitive premiums with easy access via full-cycle EDI and there's slick service too from our customer friendly, UK based underwriting and claims teams.

So when you are looking for quality car cover, take the right turn and check out Groupama.

You'll find it a very reassuring sign.
